

EUTRAC 3-PHASE SURFACE-MOUNTED TRACK

high-voltage track, white, 1 m

Aluminium carrier track of the EUTRAC 240V 3-circuit surface-mounted track system. Installation can take place through the existing holes in the profile directly onto the wall or the ceiling. The surface-mounted version of this system is available in several colours and lengths. Alternatively, there is a recessed version available too. Please note that the white tone will be changing from RAL 9010 to RAL 9016 (traffic white) on 1st April 2018. More information can be found under Product Information in the Service / Downloads area.
