### **NUMINOS® DL M**

Indoor LED recessed ceiling light black/chrome 4000K  $20^{\circ}$ 

The NUMINOS light system from SLV perfectly combines function, design and technology. With different downlights and spotlights, you provide a thousand lighting design possibilities. This also includes NUMINOS® DL M, which impresses as a recessed ceiling light with the best workmanship and lighting quality. In this way, you can create unobtrustive, modern and space-saving lighting that draws the focus to objects or the room. The recessed ceiling light has a power consumption of 17.55 watts, a luminous flux of 1660 lumens, a colour temperature of 4000 Kelvin and a good colour reproduction index of over 90. This means that easy installation is a mere formality. When will you choose SLV's modular variety?

#### **TECHNICAL DATA**

| Item no.                          | 1003891              |
|-----------------------------------|----------------------|
| Number of different light outlets | 1                    |
| IP Code                           | IP 20 / IP 44        |
| Impact resistance class           | IK 02                |
| Impact resistance                 | 0.2 Joule            |
| Assembly                          | Recessed             |
| Assembly details                  | Ceiling              |
| Secondary power / voltage         | 500 mA               |
| Safety class                      | III                  |
| Wattage                           | 17.55 W              |
| Minimum ambient temperature       | -20 °C               |
| Maximum ambient temperature       | 40 °C                |
| Lumen                             | 1660 lm              |
