

## M-POL 90 Pole

**Bollard, anthracite, 83.4cm**

DALI-compatible bollard light for professional outdoor projects: the aluminium M-POL 90 Pole can be dimmed and controlled via the digital interface. Variable lamp heads and diffusers ensure a wide range of applications. The colour temperature (2700/3000K) can be selected via the CCT switch before installation. Thanks to its IP65 protection class rating, this anthracite bollard light is protected against jets of water from all directions. To ensure it can withstand heavy impacts, it has an IK10 impact rating. Easy installation via the connection box is entirely straightforward.
