

RUSTY SQUARE 40

outdoor floor stand, TC-DSE, IP55, square, rusted steel, L/W/H 12/12/40 cm, max. 11W

The directly radiating floor stands of the RUSTY SQUARE series convince by their exceptional rust look. This is achieved by a special chemical treatment of the FeCSI steel used, which produces a controlled rust layer on the surface, which protects the actual material from further corrosion. This makes the luminaires unique pieces and an absolutely special feature wherever they are installed. With protection class IP55, they are suitable for outdoor use. As an option an earth spike as well as a connection box for safe electrical connection are available within the bollard. The electrical connection of the versions available is made to the 230V mains supply.

TECHNICAL DATA

Item no.	229420
Socket	E27
Number of sockets	1
IP Code	IP 55
Assembly	Surface
Assembly details	Ground
Primary nominal voltage	220-240V ~50/60Hz
Safety class	II
Wattage	11 W
Color	rust
Light distribution	asymmetric
Light outlet	direct - indirect
Length	12 cm
Width	12 cm
Height	40 cm
Net weight	12.056 kg
Gross weight	12.702 kg
BIG WHITE Page	643

Recommended lamp
