

# MERADO FLOOD WL

**LED Indoor surface-mounted wall light, white, 4000 K, 40°**

The MERADO FLOOD is a classic wall floodlight, combined with modern LED technology. The electrical connection of the luminaire, which is made from aluminium and glass, is made directly to the 230V mains power supply, via to the built-in driver. The MERADO FLOOD is available with a black or white housing, and in warm white or pure white versions. As well as the version for wall mounting, versions with 3-circuit track system adapters are also available. This luminaire contains built-in LED lamps.
