

FLATT POLE 100

Outdoor LED floor stand, 3000K, IP65, anthracite/-brown

Do you want a free-standing light that is easy to install on the ground? It should have at least an IP65 rating and thus be dustproof but also protected against jets of water from various directions. Our FLATT POLE 100 is IP65 rated and is ideal, for example, to light up a path or even a terrace. Are you looking for a fantastic light for an outdoor area? That's what you will get with the integrated premium LED in the FLATT POLE 100 free-standing lamp. What's more, as part of the SLV family, the FLATT POLE 100 offers you plenty of other benefits too. We have been successfully designing lights for 40 years and are constantly raising the bar both for ourselves and our products.
