

ENOLA SQUARE M

single outdoor LED surface-mounted wall light anthracite

The ENOLA SQUARE and ROUND light series have a purist style, consisting of a cylindrical or square aluminium construction fitted with powerful LEDs. Thanks to the integrated CCT switch, the light colour can be altered between 3000 K and 4000 K on installation. Thanks to the integrated LED driver, the electrical connection for the light is made directly to the 230 V mains voltage. In order to cover as wide a range of applications as possible, you can opt for one or two-lamp wall lights or ceiling lights in round or square form and in different sizes. This light contains integrated LED light bulbs.
