

3~ SIGHT MOVE DALI

3 phase system light white 4000 K

The modern SIGHT wall and ceiling light is ideal for surface mounting or busbar. The powerful luminous flux of 3100 lumens and the low glare are just some of the arguments that make the 3-phase system light LED the ideal basic lighting solution. The light made of aluminium and polymethylacrylate (PMMA) in the colour white and frosted cuts a professional figure everywhere. With its LED lifespan of 30,000 hours, SIGHT is also extremely sustainable. Experience SIGHT in action and convince yourself of a successful lighting experience.
