

M-POL 30 Pole

Bollard, anthracite, 23.4cm

DALI-compatible for professional outdoor projects: the aluminium M-POL 30 Pole can be controlled via the digital interface and is designed to be highly modular. By using different lamp heads and diffusers the light is very versatile. The colour temperature (2700/3000K) can be selected via the CCT switch before installation. Thanks to its IP65 protection class rating, this anthracite bollard light is protected against jets of water from all directions. With an impact rating of IK10, it can also withstand significant shocks. And thanks to a connection box, it is also very easy to install.

TECHNICAL DATA

Item no.	1006379
Color	matt anthracite
Height	23.4 cm
Diameter	12.4 cm
Net weight	1.247 kg
Gross weight	1.616 kg
BIG WHITE Page	614
