

PANTILO 28 PD

E27 pendant light, gold/chrome

The PANTILO 28 PD pendant light shines with a unique design that is characterised by the glass shade. The chrome version creates particularly atmospheric lighting. The 2.5 m cable can be shortened and is compatible with almost all installation heights. This cylindrical pendant light is a genuinely eye-catching feature for the hotel trade, catering industry or private domain, and the open cable end allows it to be combined with different lighting systems.
