

2m mounting track deep

48V TRACK, black, DALI

Minimalist, flexible and maximum efficiency: the low-voltage 48V TRACK system enables DALI-compatible lighting concepts with particularly small tracks and spotlights. Ideal for living areas and commercial projects in which a high-quality, three-dimensional lighting concept is integrated into the design. The sleek and deep profile of the mounting track hides the light adapter while the elegant track system with its various spotlights is flexibly integrated into the interior design. The track and every single light is also and quick and easy to install.
