

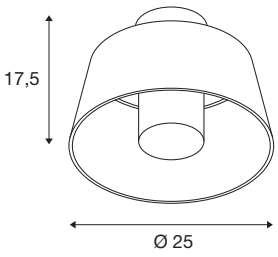

PHOTONI

ceiling-mounted light, conical, 1x max. 13W, E27, rust

PHOTONI emits an elegant, puristic and subtle light that looks at home in any outdoor area: its high-quality surface treatment means that this outdoor light can even be used in coastal regions (sea-air resistant). The circuit boards are also equipped with an IP68 protection class-rated plug. This makes PHOTONI as beautiful as it is robust. The cylindrical, conical light is available in black or an unusual rust effect. Depending on the design, the suspended shade diffuses light downwards, upwards or parallel. This provides the desired cosy, relaxing lighting effect for gardens and outdoor areas.

TECHNICAL DATA

Item no.	1007582
Socket	E27
Number of sockets	1
IP Code	IP65
Impact resistance class	IK 08
Assembly details	Ceiling
Primary nominal voltage	220-240V ~50/60Hz
Safety class	I
Wattage	13 W
Minimum ambient temperature	-20 °C
Maximum ambient temperature	45 °C
Color	rust
Height	17.5 cm
Diameter	25 cm
Net weight	0.97 kg
Gross weight	1.038 kg
BIG WHITE Page	789
