

HELIA SLIM Pole

double, LED outdoor free-standing light, black IP65 3000K

With its minimalist design and black finish, the HELIA SLIM free-standing lamp blends naturally into any outdoor environment. While the warm white light (3000 K) radiates a particularly cosy atmosphere, the high-quality coating makes long-lasting use (L70B50, 50,000h) possible even near the coast. Thanks to the 1.5 m cable with Schuko plug (IP44), the location of the bollard light, which is equipped with 6 W lamp heads and 38° optics, can be easily varied.
