

LED Floating Globe 150 twisted

LED bulb, smokey grey, E27, PHASE, 6W, 1900K

The unique LED Floating Globe 150 with its floating light is a highlight in any room. The impression is created by the structured, twisted diamond pattern in smoky grey glass and the sophisticated, patented soft filament technology. Thanks to its full dimmability and energy-saving use, the LED lamp feels extremely at home both in the living room at home or in a spacious hotel foyer. The hollow, open light bulb is particularly suitable for luminaires without a shade or for lampholder luminaires. Simply a handcrafted one-off that is always unique due to its minor variations.
