

LED Globe 125 Half Moon

LED bulb, E27, PHASE, 7W, 2700K

The LED Globe 125 Half Moon matt satin finish from the Vintage series combines the traditional design and incomparable lighting atmosphere of historic carbon filament lamps and classic incandescent lamps with highly efficient, fully dimmable high-end LED technology. Our unique, patented technology and many years of experience in manufacturing LED light sources on production lines for traditional light bulbs not only make it possible for our lamps to be extremely lightweight, but also to completely dispense with annoying heat sinks and plastic parts.
