

LED Floating Globe 200

LED bulb, smokey black, E27, PHASE, 6W, 1900K

The LED Floating Globe offers floating light as an eye-catcher for any room. With its smooth surface in smoky grey glass and sophisticated, patented soft filament technology, it creates the impression that the light is floating. This technology ensures full dimmability and energy-saving use, making the LED lamp an excellent choice for both the living room at home or in a spacious hotel foyer. The LED Floating Globe is open and can therefore be used as decoration when used in a table or floor lamp.
