SIGHT EASY

3~ spot, rectangular, 4000K, 41W, 25°, white

SIGHT EASY extends the luminaire family with linear lighting for 3-phase track systems. It is specially designed for commercial environments such as grocery shops: With its double asymmetrical 25° optics, it can illuminate two shelves on both sides with just one product, guaranteeing efficient illumination. The integrated multipower or DALI driver enables flexible customisation on site. The luminaire also impresses with its high energy efficiency of almost 160 lm/W. The SIGHT EASY luminaire is available in black and white and with colour temperatures of 3000K and 4000K.
