

FIX-IT!

48V, DALI, angular, surface mounted track, spot, 2000-3000 K, 7.4 W, 36°, white / black

Discover maximum variety and modern design with the new FIX-IT! 48V spotlights for the SLV 48V track system. These decorative, direct spotlights set new standards in interior lighting and offer countless design options. The FIX-IT! series is compatible with the deep 48V mounting tracks from SLV. The 2,700K and 3,000K versions bring warm light and impressive energy efficiency to any room. With the Dim-to-Warm variants (2,000K-3,000K), the FIX-IT! spots offer even more possibilities for creating cosy lighting moods. The spotlights also provide a sustainable lighting solution with a 50,000-hour lifespan. The FIX-IT! Spots are not only technically impressive, but also visually appealing: they are available in timeless colour variants and the compact design ensures an elegant overall appearance. In addition, the choice of round or angular designs and interchangeable coloured decorative inserts offer further customisation options. Experience the perfect combination of quality lighting and creative freedom - FIX-IT! opens up new horizons in lighting design.
