

WATERPROOF

V EASY 1500 63 840 ML IP65

The WATERPROOF V EASY from SLVtec is a rugged LED moisture-proof beacon with a sealed PC housing, specially designed for industrial, logistics and technical applications. With protection class IP65, IK08 impact resistance and a sophisticated design, it is ideal for use in demanding indoor environments with increased requirements for durability and ease of maintenance. Available in two lengths (1200mm and 1500mm), it delivers up to 6,000 lumens of light output with an efficiency of over 120 lm/W. With integrated LEDs (4,000K) and a lifespan of 50,000 hours (L70-B50), it is designed for long term use in professional environments. The light output can be flexibly adjusted via integrated switches on the driver - the multi-lumen function provides additional on-site adjustment options. With removable end caps, easy access to the LED module and through-wiring for 2.5mm^2 cables, the WATERPROOF V EASY is quick and easy to install - ideal for fast-track projects and professional requirements.

TECHNICAL DATA

Item no.	1009173
IP Code	IP65
Impact resistance class	IK 08
Number of through-wires	20
Primary nominal voltage	220-240V ~50/60 Hz
Secondary power / voltage	350/300/250/200 mA
Safety class	I
Wattage	48 W
Minimum ambient temperature	-20 °C
Maximum ambient temperature	40 °C
Number of luminaires at LS B16A	26
Number of luminaires at LS C16A	43
Level of inrush current	15 A
Duration of inrush current	272 µs
Lumen	6300 / 5600 / 4800 / 3900 lm
Colour temperature	4000 Kelvin
Color	white
CRI	80
Service life	100000 h
Risk Group	1
Length	155 cm
Width	7.4 cm

2432912	

Height	8.1 cm
Net weight	1.2 kg
Gross weight	1.4 kg
