

EASYLIGHT

BC 2500 7 25 WH Blind Cover 2500mm, 7 pole, 2.5m-m2

Whether for industrial buildings, supermarkets or logistics centres, the EASYLIGHT LED trunking system combines maximum flexibility, outstanding efficiency and high-output lighting technology in a sophisticated modular system. Designed for demanding applications in industrial and commercial environments, EASYLIGHT adapts effortlessly to any project situation thanks to its intelligent features. Blind covers in three lengths allow flexible positioning of the light units with variable distances between them. This allows lumen output and energy efficiency to be optimised to suit the project, without compromising the system's consistent aesthetic appearance.
