

# EASYLIGHT

**SCK 5000 Steel cable suspension kits 5000mm**

Whether for industrial buildings, supermarkets or logistics centres, the EASYLIGHT LED trunking system combines maximum flexibility, outstanding efficiency and high-output lighting technology in a sophisticated modular system. Designed for demanding applications in industrial and commercial environments, EASYLIGHT adapts effortlessly to any project situation thanks to its intelligent features. Optional accessories allow for a variety of mounting options such as surface mounting, wire or chain suspension, providing maximum flexibility for a wide range of installation situations. Height-adjustable and fine-adjustable versions ensure precise alignment even in complex structural conditions. Solutions are also available for direct ceiling mounting or on mounting rails.
