CYFT XL

decorative ring, indoor, brass

The CYFT WAVE wall and ceiling light - now also available in XL - brings a special touch to modern interiors with its striking, wave-shaped glass shade. With an IP65 protection code, it is ideal for wet rooms such as bathrooms and for protected indoor and outdoor areas. The integrated LED impresses with a colour rendering index CRI > 90 and a practical CCT switch, which allows the light colour to be flexibly adjusted between 2,700 K, 3,000 K and 4,000 K. Optional decorative rings in various trendy colours, which can be fitted without tools, provide even more design freedom - including a rust version especially for outdoor areas.

TECHNICAL DATA

Item no.	1010214
Color	brass
Height	2.33 cm
Diameter	19.97 cm
Net weight	0.086 kg
Gross weight	0.138 kg
