

EASYLIGHT EC BK | End Cap black

EASYLIGHT EC BK, End Cap black

Whether for industrial buildings, supermarkets or logistics centres, the EASYLIGHT LED trunking system combines maximum flexibility, outstanding efficiency and high-output lighting technology in a sophisticated modular system. Designed for demanding applications in industrial and commercial environments, EASYLIGHT adapts effortlessly to any project situation thanks to its intelligent features. The feed-in box (FIB) provides secure power supply, while the feed-out box (FOB) allows easy through-wiring to the next continuous row segment. Available in 5 or 7 pole versions, each with a 300mm cable length, the components meet the highest requirements for safety and ease of installation, even in demanding commercial applications.
