

REFLEKTOR S 10°

Reflector S 10°, for THEO PRO and HELIA PRO

The reflector can be used to reduce the half-spread angle of the HELIA PRO and THEO PRO wall-mounted luminaires in size S to 10°. This creates a particularly focused light cone – ideal for targeted accent lighting on façades or architectural details.

Item no.	1010939
Lamps included	No
Color	chrome
