

PL-BEAM PRO S | SHADE

PL-BEAM PRO S, SHIELD, anthracite

The PL-BEAM PRO S ABSCHATTER cover in anthracite is designed for use in lighting systems and serves to protect as well as to direct light precisely. The product is made of aluminium and features compact dimensions of approximately 13.7 cm in length, 13.8 cm in width, and 7.4 cm in height. Its robust construction allows for easy installation and integration into existing setups. The cover is specifically designed to reduce light scattering and optimise light distribution, thereby supporting targeted illumination.
