

LEDSTRIP CONNECTOR COB | WIRE RGBW S

LED STRIP CONNECTOR COB, CABLE RGBW S, clear

The connector from the LEDSTRIP CONNECTOR product line is designed for connecting LED strips and is intended for indoor use with an IP20 protection rating. With a compact design measuring 17.6 cm in length, 1.46 cm in width, and 0.62 cm in height, it allows for easy and space-saving installation. The product is specifically designed for applications requiring a reliable electrical connection between LED strips, such as lighting systems for residential and commercial spaces. Its flat and slim construction ensures the connector integrates unobtrusively into the installation and supports flexible routing of the LED strips.

Item no.	1012291
