

LEDSTRIP CONNECTOR COB | DIRECT S

LED STRIP CONNECTOR COB, DIRECT S, clear

The connector from the LEDSTRIP CONNECTOR product line is designed for the electrical connection of LED strips and is particularly suitable for indoor use with an IP20 protection rating. With compact dimensions of less than 2 cm in length and under 1 cm in width, it allows for space-saving installation. The product is intended for applications requiring a secure and reliable connection between LED strips, such as in residential or office lighting. The design is optimised for easy installation to ensure quick integration into existing LED systems.

Item no.	1012294
