

LEDSTRIP CONNECTOR COB | DIRECT RGBW S

LED STRIP CONNECTOR COB, DIRECT RGBW S, clear

The connector from the LEDSTRIP CONNECTOR product line is designed for connecting LED strips and is suitable for indoor use with an IP20 protection rating. With a compact design measuring 1.98 cm in length, 1.46 cm in width, and 0.62 cm in height, it allows for easy and space-saving installation. This connecting element is specifically designed for LED strips with COB DIRECT RGBW S technology and ensures a secure electrical connection without the need for additional fastening materials. The design supports straightforward installation and facilitates flexible routing of LED strips in various applications, such as residential and commercial settings.
