

LEDSTRIP CONNECTOR COB | DIRECT TW S

LED STRIP CONNECTOR COB, DIRECT TW S, clear

The connector from the LEDSTRIP CONNECTOR product line is designed for connecting LED strips and is suitable for indoor use with an IP20 protection rating. With compact dimensions of 1.98 cm in length, 1.26 cm in width, and 0.62 cm in height, it allows for easy and space-saving installation. The connector is specifically developed for applications requiring a secure and reliable electrical connection of LED strips, such as lighting installations in residential and commercial spaces. Its design is tailored for integration into LED systems to ensure a stable connection without compromising light performance.

Item no.	1012297
