

LEDSTRIP CONNECTOR COB | 90° XS

LED STRIP CONNECTOR COB, 90°, XS, clear

The connector is a compact connecting element from the LEDSTRIP CONNECTOR product line, designed for the electrical connection of LED strips. With dimensions of 1.40 cm in length, 1.40 cm in width, and a height of 0.33 cm, it is suitable for use in applications with limited installation space. The housing provides protection according to IP20 and is therefore intended for use in dry indoor environments. The connector allows for easy and secure mounting of LED strips and is specifically designed for applications requiring a reliable electrical connection without additional fastening elements.
