

LEDSTRIP CONNECTOR SMD | FEEDER S 10MM

LED STRIP CONNECTOR SMD, FEED-IN S 10MM, clear

The connector is designed for LED strips and serves to securely electrically connect LED strips in lighting installations. With a compact design measuring 16.3 cm in length, 1.17 cm in width, and 0.43 cm in height, it is suitable for use in confined installation spaces. The housing provides protection according to IP20, making it intended for use in dry indoor environments. The connector is part of the LEDSTRIP CONNECTOR product line and is specifically designed for connecting SMD LED strips with a width of 10 mm. It enables simple and reliable installation, making it suitable for use by wholesalers, electricians, and planners in LED lighting technology.
