

LEDSTRIP CONNECTOR SMD | DIRECT S 8MM

LED STRIP CONNECTOR SMD, DIRECT S 8MM, clear

The connector from the LEDSTRIP CONNECTOR product line is designed for connecting LED strips and is intended for indoor applications with an IP20 protection rating. With compact dimensions of 0.97 cm width, 1.56 cm length, and 0.43 cm height, this component is suitable for space-saving installations. The SMD type DIRECT S 8MM version allows for a simple and secure connection of LED strips with an 8 mm width. The connector is specifically designed for use in electrical installations where a reliable connection is required without additional protection requirements.

Item no.	1012315
