

LEDSTRIP CONNECTOR SMD | 90° XS

LED STRIP CONNECTOR SMD, 90°, XS, clear

The connector is a compact component measuring 0.95 cm in length, 0.50 cm in width, and 0.52 cm in height, specifically designed for LED strips. It serves to securely and reliably connect LED strips in installations with an IP20 rating, making it suitable for use in dry indoor environments. The SMD version with a 90° angle allows for flexible mounting options and facilitates the installation of LED strips in corners or hard-to-reach areas. Thanks to its compact design, the connector integrates unobtrusively into various lighting systems and supports easy installation without the need for additional tools.

Item no.	1012319
Lamps included	No
IP Code	IP20
Assembly	Surface
Assembly details	Ceiling,Wall,
Safety class	III
