

LEDSTRIP CONNECTOR SMD | 90° RGBW S

LED STRIP CONNECTOR SMD, 90° RGBW S, clear

The connector from the LEDSTRIP CONNECTOR product line is designed for connecting LED strips and is suitable for indoor use with an IP20 rating. With compact dimensions of 3.24 x 3.24 x 0.60 cm, it allows for space-saving and easy installation. The product is specifically designed for SMD LED strips with a 90° beam angle and RGBW colour control, thus supporting flexible lighting solutions. The connector ensures a secure and reliable electrical connection between the LED strips and is intended for installations without special protection against moisture or dust.

Item no.	1012322
