

LEDSTRIP QUICK PLUG

LED STRIP QUICK CONNECTOR, clear

The QUICK PLUG direct connector from the LEDSTRIP product line is designed for the electrical connection of LED strips and is suitable for use in dry indoor environments. With compact dimensions of 2.17 cm length, 0.95 cm width, and 0.60 cm height, it allows for space-saving installation. The housing provides an IP20 protection rating, making it suitable for applications without direct exposure to moisture. The connector facilitates the installation of LED strips by ensuring a secure and simple connection.

Item no.	1012325
Lamps included	No
