

LEDSTRIP PROFILE SURFACE | S

LED STRIP PROFILE SURFACE-MOUNTED, S, white

The mounting profile is designed for the installation of LED strips and is suitable for indoor use, for example in furniture or as a lighting accent. It consists of an aluminium housing and a polycarbonate diffuser that ensures even light distribution. With a length of 200 cm, a width of 1.7 cm, and a height of 1.54 cm, the profile offers a compact design that allows easy integration into various installation situations. The profile is part of the LEDSTRIP PROFILE product line and is available in the „S“ version.
