

LEDSTRIP END CAPS SURFACE FLAT | M

LED STRIP END CAPS, SURFACE-MOUNTED FLAT, M, white

End caps for LED strips, specially designed for flat surface-mounted profiles, suitable for finishing LED strip installations indoors. The end caps are made of polycarbonate and feature compact dimensions, with a height of 1.27 cm, a width of 2.29 cm, and a depth of 0.7 cm. They provide mechanical protection and a visually pleasing finish to the LED profiles, ensuring a neat and secure installation. The assembly is simple at the profile end, allowing the LED strips to be reliably closed off.
