

LEDSTRIP END CAPS CORNER | M

LED STRIP END CAPS, CORNER, M, white

Polycarbonate (PC) end caps for final installation on LED strips, specially designed for use in lighting systems where a clean finish is required. The compact end caps, measuring 2.97 x 2.97 x 0.90 cm, are part of the LEDSTRIP END CAPS product line and ensure secure and visually appealing covering of the LED profiles. They are intended for indoor use and help protect the LED strips from mechanical damage and dirt. The simple installation allows for quick and reliable mounting.
