

LEDSTRIP MOUNTING CLIP SURFACE | S

LED STRIP MOUNTING CLIP, SURFACE-MOUNTED, S

Stainless steel mounting clip for securing LED strips on surfaces. The compact clip is suitable for use in various installation environments where secure and stable fixation of LED strips is required. With a width of 1.23 cm, a length of 1.20 cm, and a height of 1.20 cm, the clip is space-saving and allows for easy installation. The stainless steel material ensures a robust construction. This mounting clip is part of the LEDSTRIP MOUNTING CLIP product line and is primarily used for surface-mounted installations.

Item no.	1012575
