

LEDSTRIP MOUNTING CLIP SURFACE | M

LED STRIP MOUNTING CLIP, SURFACE-MOUNTED

Mounting clip made of stainless steel, suitable for fastening LED strips in various applications. The clip is designed for surface mounting and ensures secure and stable installation. With a width of 2.38 cm, a length of 1.55 cm, and a height of 0.88 cm, it is compactly sized and easy to install. The stainless steel material provides a robust construction, suitable for use in demanding environments. The mounting clip is part of the LEDSTRIP MOUNTING CLIP product line and is particularly suitable for use by wholesalers, planners, and installers in the field of LED lighting.
