

LEDSTRIP PENDANT KIT SURFACE | S

LED STRIP SUSPENSION SET, SURFACE MOUNT, S, Pendant length: 200 cm

The LEDSTRIP S pendant suspension set with a pendant length of 200 cm is designed for the installation of LED luminaires in suspended ceilings. It is particularly suitable for indoor use, for example in offices or retail spaces, where flexible and secure suspension is required. The set consists of a stainless steel housing, ensuring stable and durable mounting. With a slim design measuring 1.5 cm in width and height, the set integrates unobtrusively into various interior designs. The installation is carried out as a surface-mounted solution, allowing for easy installation.
