

CAP
EU Version

Cap Table Lamp - EU Version

DESCRIPTION

In spite of its simple, geometrical shape, Cap oozes with personality. The inspiration is drawn from the cartoon character Calimero, a charming little chicken with an eggshell on its head, which gave the idea for the large, semicircular lampshade. The shade is rotatable, making it possible to direct the light.

DESIGN

KaschKasch, 2014

MATERIAL

Powder Coated Steel

CONSTRUCTION

Cap is a functional table lamp with a rotatable shade. Its cylindrical base with a sloping pole holds the included bulb. The lamp shade slides over the bulb, turning it into a smooth rotation point of the lamp. The shade is white on the inside for optimal light reflection.

MAINTENANCE

Clean with damp cloth. Avoid use of all-purpose cleaners and other degreasing detergents.

CORD

2 m textile cord with switch, matching color (white/blush/misty blue/midnight blue)

DIMMABLE FUNCTION

No

VOLTAGE

220-240V

FREQUENCY

50/60 Hz

IP RATING

IP20

CLASSIFICATION

Class II

SOCKET

E27

LIGHT SOURCE - RECOMMENDED

Art. No.: 504053, LED E27 EU, not dimmable

Power: 8 W

CCT: 2700 K

Output: 800 lm

Life Span: 15 000 h

CRI: ~80
