

PEPO

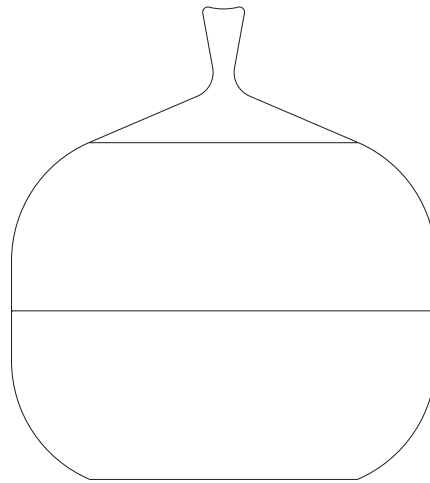

The Pepo jar can be used in various ways: with a lid for storage, without a lid as a vase, or simply as a piece of decoration. The shape of the vase is extended into a natural handle for the lid, creating its quirky, organic silhouette, which is refined by the contrast between a mat and glossy glazing. The two jars in the series complement one another like a pair of old friends.

Pepo

PEPO JAR 48 CM
H 48 x Ø 18 cm
Available only in Grey, Dusty Blue colors

PEPO JAR 34 CM
H 34 x Ø 31 cm
