# Rise Wall Lamp - EU Version

## DESCRIPTION

Rise is the uncomplicated and versatile wall lamp you have always been looking for. Strict lines are gently softened by stumpy sections, creating an attractive blend of a minimalistic design and a friendly appearance. With Rise, designer Marianne Andersen has created a wall lamp that is appealing in all its simplicity.

## DESIGN

Marianne Andersen, 2016

## MATERIAL

Powder Coated Metal / Lacquered Ash

## CONSTRUCTION

Rise consists of a base and a cylindrical shade held together by a turning joint, making it 350 degrees rotatable with a small integrated handle. The shade is white on the inside with holes on top for an optimal light effect. The lamp is simply screwed on the wall and slide together. Assembly manual included. Be aware: the design will always show the cable, also with a professional direct wall mount.

## MAINTENANCE

Clean with damp cloth. Avoid use of all-purpose cleaners and other degreasing detergents.

## CORD

2m textile cord with switch, white color.
