

ROPE

Clean and softly rounded lines give the Rope modular sofa an expression that is simultaneously minimalistic and full of character. A classic piping is highlighted as the main detail of the design, marking the edge of the sofa in an understated and fluid way. To achieve the highest levels of comfort, the Rope sofa is built with pocket springs and foam, ensuring soft and supportive seating that shapes itself according to body contours. The Rope modular sofa works well in widespread arrangements, where modules and textiles mix into colorful and inspiring hang-outs.
