

TOMBOLA

Tombola is a game of chance. A pool of tickets is mixed together, after which an arbitrary set of tickets is pulled out at random. The Tombola vase came to life in much the same way. Building blocks based on eight abstract shapes were combined in a random order to produce the glass vase's unique surface structure. The reliefs in the colored glass play with light and shadow, giving the vase an artistic character.

Tombola

VASE 9,5 CM
H 9,5 x Ø 17,5 cm
Available only in Caramel color

VASE 17 CM
H 17 x Ø 17,5 cm
Available only in Orange color

VASE 23,5 CM
H 23,5 x Ø 17,5 cm
Available only in Blue color

VASE 31 CM
H 31 x Ø 17,5 cm
Available only in Purple color

DESIGN
Mendel Heit, 2018

MATERIAL
Glass

CONSTRUCTION
Made of mouth-blown glass with a painted surface.
