## Scholar Spotlight

Current Status:  
**B.E. (Electrical Engineering),  
(1st Year)**

Location:  
**Krishnagiri, Tamil Nadu**

**Rithika Chitrrasu**

As a young woman with big dreams, I yearned to be the pillar of support my family could rely on. Witnessing my hardworking father, a private cab driver, labour tirelessly to support my education and livelihood, fueled my unwavering determination to achieve success.

Education was the key to independence and prosperity, so I set my eye on pursuing an engineering degree programme after schooling. Although my exceptional Tamil Nadu Engineering Admissions (TNEA) exam scores earned me a place at Velammal Engineering College, financial hurdles persisted.

I fortuitously discovered **Scholarship 2023 by Kotak Mahindra Bank** at this critical juncture. Receiving **₹2,00,000** in financial aid proved an enormous relief as it covered my entire first year's academic expenses and alleviated my loved ones from a significant financial burden.

Brimming with gratitude and motivation, I am steadfast in my resolve of becoming an Electrical Engineer, forging a brighter future for my family and myself.

## Achievements of Growing Scholar Community:

### Swarn Rekha

Community scholar of the **Keep India Smiling Foundational Scholarship & Mentorship Programme**, an initiative of Colgate-Palmolive, has been able to establish 4 digital libraries in her village till date.

### Bhumika Mahor

Scholar of the **Ericsson Empowering Girl Scholarship Program** has been pursuing an off-campus summer internship program at Microsoft, where she is currently working as a software engineering intern.

### Jerlin Anika

Scholar of **HCL Foundation's My Scholar** initiative participated in the World Junior Badminton Championship and secured fifth place as the youngest player in her maiden appearance at the 2017 Deaflympics held in Turkey. She subsequently won three gold medals in badminton at the 2022 Deaflympics held in Brazil.

### Priyanka Nathani

Scholar of **IDFC FIRST Bank MBA Scholarship** secured first position in various case competitions and became the top scorer among 320 batchmates at NIBM-Pune.

### Tanu Agarwal

Scholar of **Panasonic Ratti Chhatr Scholarship** is working as a Data Scientist at Fractal Analytics, a multinational artificial intelligence company.

*Even after 76 years of India's independence, a sombre reality persists. More than 150 million young dreams in the country remain locked outside the gates of formal education.*

(Source: The Hindu)

But in this age of transformation and hope, we believe in the power of change, and we stand by the power of kindness!

**Introducing Kind Circle, a radiant beacon of hope for underprivileged yet deserving students.**

“

*These children harbour hopes, dreams, and aspirations that reach for the stars, but what they lack are the resources to fuel their educational journey. Be their guiding light, their beacon of hope. Support these students in their pursuit of knowledge. Your contribution can turn their dreams into reality. Let's empower their future through education.*

”

Start a scholarship today and make a difference in the lives of deserving students. Write to us at [kind@buddy4study.com](mailto:kind@buddy4study.com) or book a demo session with us for more information and assistance.

Numerous prominent personalities in our nation's history, including the first, second, and 11th Presidents of India, as well as the first Law Minister of India, Padma Vibhushan recipient Ramesh Mashelkar advanced in their education with the help of various scholarships. The current generation of scholars holds an immense potential to become the architects of our nation's future. They will assume leadership roles and devise solutions to upcoming challenges. Buddy4Study envisions empowering one crore students within this decade. We earnestly request your blessings and support in shaping a promising future for all of us.

## Mission 2030: 1,00,00,000 Scholars

## Achieved: 76,611 Scholars
