Detective Security Consultants & Facility

**“Disasters DO NOT Give a Date
BETTER BE PREPARED”**

ABOUT TRIGGER FACILITY PVT LTD

Trigger Facility Pvt. Ltd is a Prominent company established in the year 2002. Since then the company has gained considerable expertise in the field of security management and is capable of meeting the entire gamut of security needs of our clients.

Our strength lies in providing customized and cost effective security solutions to our customers, comprising of Corporate Houses, Industrial & commercial Establishments, Hotels & Resorts, Hospital, Housing Societies, Construction Sites & Organizations on global arena.

We Provide maximum security solutions at minimum cost. Right from Security Consulting, Multi-Level Investigations, Physical Guarding to Training and Technology, every security requirement is met with utmost care for details. Knowing fully well that each assignment has a distinctive nature, we depend on our highly qualified and experienced staff to formulate Specific approaches for total accuracy.

The core strength of our organizations lies in human resources. Carefully hand picked, each member of the team has specialized skills in critical area. The management comprises of veteran of the military and para-military forces, police officers and expert professionals. The joint efforts of our chairman, company associates, directors and members of the staff have gone into making this company a fine example of perfection. Mr. Kenny Vyas, Managing Director of Trigger Facility Pvt. Ltd. has field experience in handling various kinds of security services, investigation and liaison work with Govt. Agencies, Police, B.M.C for over a period of 20 years.

Mr. Kiran Vyas, Partner has vast experience in corporate investigations, (Trade mark investigation).

We also have the necessary licenses and documentation with regard to govt. Funds/ Payments.

"Disasters DO NOT Give a Date....!!! BETTER BE PREPARED "

SECURITY SERVICES

We at Trigger Facility Pvt. Ltd. and human Resources Services are honoured to offer you security services. Our well-trained staff will be responsible for the safety to your Premises and properties.

Its a matter of privilege and pride for us to introduce our organization as premier institute providing security coverage to commercial establishments, Banks, Factories, Hospitals, Hotels, Housing Societies, Residences etc. Our well trained staff is capable of taking adequate care of the complete security need of the client organization to their utmost satisfaction.

We can also arrange to identify the type of equipments that is required by your organization Our Staff operates all over Mumbai, Maharashtra and rest of India.

Facility is an extract of comfort. With our tradition as Ex - Defence service senior officers managed organization we have been able to maximize our people, processes and leadership skills to provide additional service solutions to a number of challenging assignments. This approach has allowed our clients to focus on their core activities without downgrading their service capability.

Our range of service is diverse and yet retains a common focus; meeting customer needs to deliver a total service solution.

Dedicated management structures combined with " Total Quality Management " means a strong clients focus is retained at all levels; rather than offer a number of " off the shelf " service. We workwith clients to deliver service portfolio that reflects individual client and site requirements.

Combined with Group security services, this range of support activities provide genuine site based solutions as well as the benefits of having a " single point of contact and single invoice system ". Our Strong Customer Relationship management ethics places our clients of the center of our processes and procedures, and has been at the heart of evolution of our service portfolio.
