Authorization of Benefits

I hereby assign, and authorize payment, directly to Carmine J. DeFusco, M.D, P.A. the medical benefits to which I am entitled under my insurance policy(s). I understand that I am financially responsible to said doctor for charges not covered by this assignment: including, but not limited to my copay, co-insurance and/or deductible(s).

I understand that I am financially responsible to said doctor for charges not covered by this assignment: including, but not limited to my copay, co-insurance and/or deductible(s).

Signature_____

Financial Policy

I understand that my copay MUST be paid upon check-in. Co-pays cannot be billed, this is an insurance company regulation.

If a referral is required, I understand that it is my responsibility to obtain this referral from my primary care physician. The referral must FAXED to {732} 462-0992, before my appointment. I further understand that if the referral is not provided, I will be responsible for all charges related to that visit.

I am responsible for any amount not paid by my insurance company. This amount may be, but not limited to: a copay, co-insurance, and/or deductible. This amount will be billed to me via a monthly statement, after my insurance has been processed & the insurance company has advised Dr. DeFusco's office the total amount of my responsibility.

A "Service Charge" of 2% per month MAY accrue on any balance left unpaid for more than 30 days from my statement date. Any amount left unpaid for more than 90 days will be considered delinquent, be referred to a collection agency, or an attorney, and reported to various credit reporting agencies. If my account is referred to a collection agency, or an attorney, I will be responsible for the payment of any additional fees.

Patient HIPAA Consent & Release of PHI

By signing this consent you are authorizing Dr. Carmine J. DeFusco, and the office staff, to use and disclose your personal health information (PHI) to perform routine office operations. Your PHI may be used to: bill and collect payment for services rendered, obtain drug prior authorizations, obtain laboratory results, etc.

You have the right to request that we restrict how your health information is used. We are not required to agree with your request. You may request a copy of our "Notice of Privacy Practices."

You have the right to revoke this consent except where we have already taken action covered under the consent. If you choose to revoke this consent, you must do so in writing.

Patient Consent

Patient Chart Sharing

By initialing here _____ you give your consent to have the "Patient Chart Sharing" feature enabled in your EHR. When enabled, we will have the ability to automatically exchange your medical records with providers who care for you at connected care locations.

Medication History Authority {we strongly encourage this feature}

By initialing here _____ you grant Dr. DeFusco, and his staff, permission to download the your medication history automatically from pharmacy benefit managers; from "the cloud".

Consent to Call

By initialing here _____ you indicate that you have agreed to receive automated phone calls from Dr. DeFusco's practice on your mobile phone. Depending on the features our practice offers, phone calls may be about appointments, test results, and more. {mobile #_____}

Consent to Text

By initialing here_____ you indicate that you have agreed to receive automated text alerts from Dr. DeFusco's practice on your mobile phone. Depending on the features our practice offers, text alerts may be about appointments, test results, and more. {mobile #_____}

Family Billing {only applicable if more than one family member is a patient}

By initialing here _____ you indicate that you wish to have this billing feature enabled on your account. A single "Guarantor" is named for the family account; who will then receive a single statement for the entire family, itemized by patient, with details for each transaction. Payments made on the "Family" account are applied to the oldest, open charges first. Enabling this feature greatly simplifies both monthly billing and payments. Family balances are available on check-in screens when you come in for appointments. Payments get applied to oldest balances first so as to keep your account as current as possible. If you have any additional questions, please see Lisa.

Family Guarantor_____
Family Member #1 _____
Family Member #2_____
Family Member #3_____
Family Member #4_____

Not initialing any individual section above, is considered non-consent and that feature will not be enabled on your EHR.
