About Us

The Dangal ng Bulacan Foundation, Inc. is a non-stock, non-profit organization established in January 2003 by recipients of the Dangal ng Lipi Award, an honor conferred by the Provincial Government of Bulacan. The award was instituted and first given in 1974 to recognize outstanding Bulakenyos “who have distinguished themselves in various fields such as public service, commerce and industry, banking, agriculture, entrepreneurship, science and technology, agriculture, culture and the arts, and others”.

The founding Board of Trustees was led by Mr. Deogracias N. Vistan, former president of Land Bank and of the Bankers’ Association of the Philippines, as Chairman; Mr. Alfredo Antonio, then CEO of Subic Bay Metropolitan Authority, as Vice Chairman; and Ms. Remedios Macalincag, former Development Bank of the Philippines President, as President. Other founding trustees include Mr. Renato Simbulan of Simbulan Industries as Corporate Secretary, Ms. Estelita Aguirre, former Deputy Commissioner of the BIR as Treasurer, Dr. Jaime Laya, former Central Bank Governor as Chair of the Culture and the Arts Committee, DOST Secretary Fortunato Dela Pena as Chair of the Enterprise Development Committee, Dr. Isabel Nazal, a well known dermatologist, Mr. Jose Hernandez, Engr. Irineo Villangca and Mr. Antonio Bautista, all respected leaders in Bulacan.

The DBFI undertook significant projects on enterprise development, improvement of agricultural productivity, and enhancement of cultural and tourism related industries. A few of its notable projects include Sining Bulacan, a series of activities whose objectives were to promote Bulacan and its rich history, cultural heritage and cuisine, enhance tourism and market the workmanship and products of Bulacan to the country and to the world; and Sagipin: Ilog Angat which aimed to solicit support and commitment for the rehabilitation of Angat River and Watershed. The DBFI has also conducted trainings for entrepreneurship and has promoted eco-tourism. On education, the DBFI has continued to support scholars from all over the province through its Scholarship Program for college students.
